

Information Commissioner's Office

Consultation:

Direct Marketing Code

Start date: 8 January 2020

End date: 4 March 2020

Introduction

The Information Commissioner is producing a direct marketing code of practice, as required by the Data Protection Act 2018. A draft of the code is now out for public consultation.

The draft code of practice aims to provide practical guidance and promote good practice in regard to processing for direct marketing purposes in compliance with data protection and e-privacy rules. The draft code takes a life-cycle approach to direct marketing. It starts with a section looking at the definition of direct marketing to help you decide if the code applies to you, before moving on to cover areas such as planning your marketing, collecting data, delivering your marketing messages and individuals rights.

The public consultation on the draft code will remain open until **4 March 2020**. The Information Commissioner welcomes feedback on the specific questions set out below.
