

People and Equality Impact Assessment

This document fulfils the ICO's requirements to conduct Equality Impact Assessments, as a requirement to have due regard under the Equality Act. This document helps you to assess the equality relevance of a policy or procedure on one or more groups of people with protected characteristics. Guidance is also available for People and Equality Impact Assessments (PEIAs), which you can access [through this link](#), along with a glossary of issues to consider, which you can access [through this link](#). The purpose of PEIAs is to ensure that equality issues are identified and mitigated. The guidance and "issues to consider" documents are intended to assist with this, but they are not a substitute for consultation with people with lived experience of any of the protected characteristics. Therefore, you should, wherever appropriate, consult with the relevant EDI staff networks or other colleagues to discuss potential impacts.

You must read the guidance and glossary before completing the document.

Completed PEIAs will be published [on the ICO's website](#).

Summary

Please provide your name.

Answer: GR

What is the title of this piece of work? Please try to ensure that this is likely to be understandable to everyone in the ICO.

Answer: Operating system upgrade to WINDOWS 11

Briefly describe the overall purpose of this work.

Answer: The ICO will begin a rolling exchange of MMD devices (laptops) during May 2022. This will gradually replace current devices, as they reach end of service life, with new models which will run on Windows 11. The current operating system Windows 10 will be replaced as part of this upgrade.

Initial screening questions

Q1. Does this work relate to an ICO policy, procedure, working practice or anything broadly similar? This includes both current policies and new policies under development.

Please answer Yes or No

Answer: Yes

*If you answer **No** to this question, you may not need to complete a PEIA. PEIAs are only required for policies, procedures and similar. However, with the ICO's commitment to equality, we would like PEIAs to be completed for as much of our work as possible. This should be beneficial in ensuring that you consider any potential equality issues while developing work.*

Q2. Is this work about the explanation of the laws which the ICO regulates, or about decisions to use or not use any of our regulatory powers (e.g. monetary penalties, enforcement notices, information notices etc)?

Please answer Yes or No

Answer: No

*If you answer **Yes** to this question, you may not need to complete a PEIA. You do not need to do a PEIA in coming to a decision regarding regulatory action, or explaining how the law operates, as equality considerations are assumed to be part of the laws. However, in areas such as guidance or anything similar, you should definitely complete a PEIA.*

If a PEIA is not required, the person with responsibility for this piece of work should decide whether a PEIA should be completed.

Impact on people with protected characteristics

The issues to consider annex, [available through this link](#), sets out some issues that you should consider for each protected characteristic.

Q3. For each of the protected characteristics, you should consider whether there are any **positive impacts** for people with each characteristic and set those out in the table below. If you think there are any **negative impacts**, set those out in the table below **and explain how you will fully mitigate those impacts**. If you think there is no impact, please explain why you think that is the case.

Protected characteristic	Is there likely to be a specific impact on people with this characteristic?	Will the mitigation you have identified fully mitigate all of the negative impacts, such that there is a positive impact or no impact?
Religion or belief	No	
Race, nationality or cultural background	No	
Disabled people	Positive – an accessibility review has been completed and concluded that Win 11 continues to offer the features contained within Win 10 – but additionally offers enhanced functionality which will improve the user experience	
Sexual orientation	No	

Protected characteristic	Is there likely to be a specific impact on people with this characteristic?	Will the mitigation you have identified fully mitigate all of the negative impacts, such that there is a positive impact or no impact?
Sex (see note 1)	No	
Age	No	
Gender reassignment (see note 2)	No	
Marital status	No	
Pregnancy and maternity	No

Note 1: you may also wish to consider gender while considering sex, although gender is not a protected characteristic under the Equality Act.

Note 2: you may wish to consider the impact on transgender people while considering people undergoing gender reassignment, although gender is not a protected characteristic under the Equality Act

Note 3: Socio-economic group or social class is not a protected characteristic, but we would still like to ensure that we consider the impact of our work in this area.

Note 4: Multiple protected characteristics is an opportunity to consider whether there are issues which affect people with most or all of the protected characteristics, or where there may be different impacts of the same issue on different characteristics (e.g. the same issue has a positive impact on people with one protected characteristic but a negative impact on people with another protected characteristic)

If you state that for any negative impact the mitigation you have identified will not be able to fully mitigate the negative impact, you will need to contact HR to discuss next steps. Details are provided at the end of this document.

Q4. The ICO's Welsh Regional Office has a statutory requirement to provide services through the medium of the Welsh language. Will there be a requirement for this work to include a Welsh-language element?

Please answer Yes, No or Don't Know

Answer: No

*If you answer **Yes or Don't Know** to this question, you will need to contact the Welsh Regional Office to discuss next steps.*

You should also review the wording to ensure that it is likely to be as understandable as possible to any member of the public.

Answer: Yes

Conclusion and sign-off

Thank you for completing this PEIA.

You should ensure that the person with overall responsibility for the piece of work the PEIA refers to is content that all potential equality issues have been identified and considered, that appropriate monitoring will be in place and the publication issues have been considered. This might be you, your line manager or someone else in the ICO. Therefore, you may need to provide this PEIA form to that person for review prior to completing it.

Please tick here to confirm that you have consulted with the relevant EDI staff networks or other colleagues where appropriate.

Please state here who has signed off the PEIA.

Signed off by: CW

At each of their meetings, the EDI Board will receive a summary of the PEIAs which have been completed over the previous six weeks. However, the role of the EDI Board is **not** review and approval of PEIAs, rather overall assurance that the PEIA process is operating effectively.

For the actions which you have identified, you must complete a PEIA action plan, which you can access at [this link](#).

If you have identified that there are any negative impacts to any protected characteristics that you cannot fully mitigate (so that despite your best efforts, there will still be a negative impact to people with that protected characteristic), you must contact HR for advice.

Please send your completed form to corporategovernance@ico.org.uk for storage and publication.
